# Who We Are

Crown Quotes is a fast growing company offering Construction and Property Maintenance services to customers throughout the UK.

We work with some of the best Tradesman and Contractors in the United Kingdom who have been properly vetted and who are fully qualified working contractors.

Our main clients are: Property Developers, Architects, Property Investors, Homeowners, Landlords, Property Management Companies and Construction/Trade Companies.

## What We Do

We give FREE QUOTES!

We have Over 200 fully qualified and vetted Contractors on our database.

We offer a Contractor Referral service once the quote is accepted and act as an Agent throughout the agreement.

We use our Specialised and Valued Contractor Database to find and source our clients the best construction, contractors and tradesman.

# Advantages Of Using Our Services

All contractors are carefully vetted before they are registered onto our database. We do all the necessary I.D, Proof of Work and References Checks giving our clients peace of mind that all contractors are qualified.

We aim to give our clients the Best Quotes that match their budget expectations. We offer a Personal Tailored Service unlike our competitors who are more focused on the tradesmans monthly membership and advertising fees.

Our contractor database allows us to give our clients Upto 3 Quotes from a variety of different tradesman which Saves Time for our clients as they don't have to approach 3 - 4 different companies for quotes.

# Problems When Not Using Our Services:

**Problem:** Clients waste valuable time searching for tradesman when time could be spent on project managing or other beneficial tasks.

**Solution:** Crown Quotes do all contractor searches for the client and using our database we connect contractor to client within minutes.

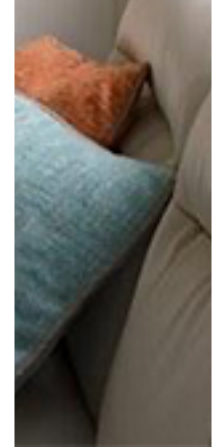

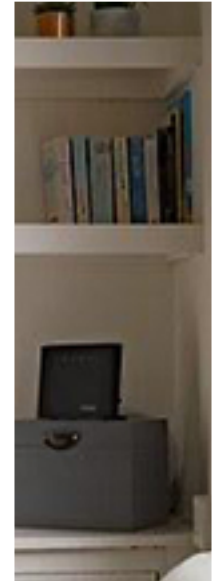

**Problem:** Clients jobs are unsatisfactory and are either: Unfinished, incorrect or completed to a low quality bad standard.

**Solution:** Crown Quotes has a strict vetting process all contractors are qualified and reputable. We will even send you proof of work and arrange site visits so you can meet with the contractor on site.
